

Pearl River Clean Sweep Information and Sponsorship Opportunities

WHEN: Saturday, September 19, 2020

WHERE: Cleanup teams will be deployed along the Pearl River from its Headwaters in Nanih Waiya, Mississippi, downriver through the Ross Barnett Reservoir, along the border of Mississippi and Louisiana, all the way to Pearlington on the Gulf Coast. Tributaries such as the Bogue Chitto River and the Strong River will also have cleanup locations. Volunteers of all ages can choose from over 25 land and water-based locations.

WHY: This event will celebrate drinkable, swimmable, fishable water in 15 Mississippi counties, 2 Louisiana parishes, and over 490 miles of beautiful river!

In the past 3 years, this event engaged more than 2,400 volunteers and removed over 100,000 pounds of trash from the Pearl River watershed.

Please consider sponsoring this epic community-wide event!
