

Walkiah Bluff crew:

As Jessica stated before we'll have a safety briefing at 8:00 am Saturday morning. I'll be arriving about 7 or so for anyone who would like to sign up on site early. If y'all want to get a head start go ahead and have your boats in the water. Also if y'all will let me know in comments or through IM if you'll have a motorized boat or canoe/kayak and if you'll be coming back to Walkiah or floating down and taking out at another location. There's not much area if any for land based cleanup so hopefully everyone has a chance to get involved whether they have a boat or not. Also let me know if you'll have room in your boat if someone happens to show up and not have a ride. I'll have trash bags to supply and there will be a dumpster on site, thanks to Faron Moeller. You're more than welcome to bring your own trash bags too. Thank you to each and everyone of you who signed up and look forward to seeing everyone Saturday morning!

Joshua Mitchell
